Sub: **Seeding of UAN Number in the insurance Module.**

Sir,

A meeting was held under the Chairmanship of Secretary (L&E) on 05.10.2021 in which it has been decided to capture UAN data in Employer's Module of Corporation. Secretary (L&E) further directed that UAN of minimum 75 Lakhs workers should be added in the Insurance Module of ESI Corporation by 24.02.2022.

A provision in the Insurance Module has been made by ICT Division wherein the Employer can enter the UAN of the IPs through the module. The RDs/Employers can now use the screen to enter the UAN Data of IPs in Insurance / Panchdeep Module. Once the data is entered into the system, the same can be validated from EPFO through APIs about the authenticity and correctness when the API is built by EPFO and ESIC. In this context, it is requested to kindly contact Employers in your region for entering UAN of their employees in the Insurance Module of ESI Corporation. For further clarification in this regard, Mr. Mrigendra, AD (ICT), Hqrs. may please be contacted.

The Headquarters Office will be monitoring the weekly progress in this regard to apprise progress to Director General / MOLE. The regions should submit weekly report to the headquarters for number of UAN Data of IPs entered in the system in prescribed proforma.

This issues with the approval of Insurance Commissioner (Rev.).

Regards,

Yours faithfully,

(Mohit Raja)
